

Instabilité antérieure de l'épaule : une question d'équilibre
Références pour la conférence de Johanne Tardif, pht, M.Sc.
Mai 2008

Les numéros de référence qui suivent sont ceux qui étaient indiqués sur les diapositives de la conférence. Ces références sont tirées du cours 'Pathologies musculosquelettiques de l'épaule et physiothérapie : pratique fondée sur des données probantes'. Ce cours de formation continue a été conçu et est donné par Johanne Tardif, pht, M.Sc.
